Sullivan Construction, Inc. completes renovations for Magellan Diagnostics

Chelmsford, MA Sullivan Construction, Inc., a Bedford, NH based Construction Manager has completed the interior office and laboratory renovations for Magellan Diagnostics in Chelmsford, MA. Included in this fast-track project were a complete fit-up of a 16,500 square foot office area and the construction of a 5,500 square foot Bio-Lab space. The project-needed completion within 8 weeks and the team at Sullivan exceeded the schedule expectations.

Magellan Diagnostics is a medical device company that provides point-of-care systems, clinical laboratory instruments, and analytical laboratory services focused on lead testing. Headquartered in Billerica, Massachusetts, Magellan is dedicated to offering high quality; reliable products that help identify children and adults at risk of harm due to lead exposure.

Sullivan Construction Inc. has a 42-year history in providing Design\Build and Construction Management services to our client base. We are active throughout the Northeast in Corporate, Healthcare, Hospitality and Retail construction and renovation.
