

## Sullivan Construction Inc. Hosts NHCIBOR Meeting

**Bedford, NH** – Sullivan Construction Inc. hosted the NHCIBOR GREEN series seminar at SERESC in Bedford, NH. The seminar, which was the Kick Off in a 12 program series focused on the “hows” of turning an existing space into a Registered LEED CI project. Tom Sullivan, President of Sullivan Construction Inc., addressed the methods that his company used to attain the end results and the corresponding cost savings that have already been recognized.

Following Sullivan’s presentation and a roundtable discussion, the attendees toured both the SERESC facility, a GREEN building that was constructed by Sullivan Construction Inc., and the Sullivan Construction Inc. headquarters, which is a Platinum LEED candidate facility to see how GREEN elements were incorporated into the buildings’ infrastructure.

Sullivan Construction Inc. a 39 year old Design\Build and Construction Management company specializing in GREEN construction practices and is active throughout the Northeast in Healthcare, Corporate, Medical, Hospitality and Retail construction and renovation.
