

Stony Brook Primary Care Office Fit-Up Completed

Chelmsford, MA – The 2125 sq. ft. interior tenant fit-up for Stony Brook Primary Care was recently completed by the Sullivan Construction Inc. The scope of work for the primary care practice that is located in the Lowell General Chelmsford (Mass.) campus at 20 Research Place, included the construction of three offices, six examination rooms, staffing offices, a nurses' station and employee lounge.

Working with Andrew Cohen Architects, Wayland, MA, the Sullivan team, under the direction of Project Manager Kevin Morse and John Martins, Site Supervisor, also installed plumbing, HVAC equipment, electrical and sprinkler systems.

Sullivan Construction Inc. a 39 year old Design\Build and Construction Management company specializing in GREEN construction practices and is active throughout the Northeast in Healthcare, Corporate, Medical, Hospitality and Retail construction and renovation.
