

CENTRIX BANK, DOVER, NH

Dover, NH – Sullivan Construction Inc. is currently completing the steel erection for the 11,000 sq. ft., three story brick-faced building for Summit Land Development. The first floor of the structure will be serve as a new full service branch location for Centrix Bank. Eight luxury apartments will occupy the second and third floors.

Located on the corner of Fifth Street and Central Ave, the Centrix Bank area will feature energy efficient store front windows and cherry woodwork and will have five offices, three work stations, a conference room and an employee break area. The bank will feature both walk-up and drive though banking services.

As well as coordinating with the building owner and design teams, Sullivan Construction is also providing all construction services for the project.

Sullivan Construction Inc. a 39 year old Design/Build and Construction Management company, is active throughout the Northeast in Retail, Healthcare, Medical, Corporate, and Hospitality construction and renovation.
