

General Services Administration, Bedford, NH

Bedford, NH – VanSullwood Realty, LLC has contracted Sullivan Construction Inc. to construct a new two (2) story office building for the General Services Administration. The scope of work for the 20,500 sq ft building includes steel frame, brick veneer, 2-story entry feature, 2-stop double entry elevator, storefront and vinyl windows. The building will be a LEED – NC Silver building upon completion. All construction practices and material meet or exceed “Green Building Practices”.

Sullivan Construction Inc., a 39 year old Design/Build and Construction Management Company, specializes in construction practices that are Green/LEED focused. Sullivan Construction, Inc. is active throughout the Northeast in Retail, Healthcare, Medical, Corporate, and Hospitality construction and renovation. For more information regarding Sullivan Construction Inc. please contact Tom Sullivan at 603-647-1777 or email tsullivan@sullivanconstruction.com.
